IDENTIFICATION OF DOCUMENT **25X1A** **25X1A**
 Memo from [] PO/ID to ADPC. Subject: Briefings on
 OPC Within CIA - Reference: Memorandum to ADPC from []
 C/ID, dated 24 April 1951. Subject: Briefings on OPC Operations.

ABSTRACT NOTATION REFERENCES

There is no way to completely prevent the reporting and evaluating components of the Agency from being misled or confused from time to time by our operations. The possibilities of deception can result from:
 (1) repercussion of OPC operations; (2) repercussion from operations of our allies or (3) a successful cover and deception operations by our enemies. Some success has been achieved in alleviating the first of these problems (see ref memo for explanation of arrangements with OCI, ORR and ONE) - (examples are given in this memo)

No really satisfactory arrangements for checking and review have been worked out between OSO and OPC.
